GOSPEL

29th Sunday (A)

Some people came to Jesus and said, "What should we do with our money? Should we give it to the government or God?" (They owed money to the government but they didn't want to pay. If Jesus said God, they were going to blame him for their not paying up and get him into trouble up with the government.)
"Why are you trying to trick me? Give to the government what is theirs and give to God what is God's."

Thank you to parents/carers for your enormous support and generosity for Multicultural Week and our Harvest Festival.

Multicultural Week

Beginning Monday 13th October 2014

African singing workshop.

This week for multicultural week we welcomed African singer Aga. Each class had a thirty minute workshop with him where they learnt four traditional songs. The children all had great fun learning the songs, and learning the actions. At the end of the day the whole school came together to sing an African themed concert. The children all had a fantastic day, and thoroughly enjoyed singing the new songs they had learnt together in the hall, and standing up to dance during the grand finale.
