25th Sunday (A)

There once was a farmer who wanted to hire workers. Each worker he employed agreed with the farmer that the pay would be one pound per day. At dinner time the farmer met some people with no work. He asked them to work and agreed to pay them. At tea time he met some more people with no work, no one had offered them work all day so he asked them to work on his farm and agreed to pay them. When the evening came he called the workers together and gave each of them one pound. The workers who began earlier in the day complained, "it's not fair, we have worked longer than the others." The farmer replied, "I am being fair, didn't we agree that the wage would be one pound? You have your money. I will spend mine as I like. Don't complain because I am generous."

If you have a child born between 01/09/2010 - 31/08/2011, please pick up a supplementary form from the office to start school next September 2015.

Please note there will be a uniform check next week. Year 6 will have their uniform check the following week. If children are found not to be wearing the correct uniform a letter will be sent home to parents. Thank you for your support.

Dear Parents

IMPORTANT NOTICE

The school day starts at **8.50am**. Children should be lining up with their class when the bell goes.

Once the children leave the playground and enter their class the teaching day has already begun please do not go to your child's class with them.

If your child's class has already gone into school and your child arrives late for school please bring them to the office and sign the late book.

Infant children will be taken to their class by a member of staff. Junior children will be able to go to their class by themselves.

This will minimise any disruption to the school day and for health and safety reasons.

If you need to see your child's teacher please make an appointment through the office or speak to Mrs Webb who will pass on any concerns or message to your child's class teacher.

Your continued support helps the school day run smoothly.

Thank you

Please help us to keep queues to the front office to a minimum by putting correct money in labelled envelopes for lunch and after school clubs. Thank you.

My adventure on the tall ships was amazing! I got to learn new skills make new friends and be able to steer a ship! All from just applying and hoping for the best, I never thought I would get chosen but I will have lasting memories of this fantastic seafaring voyage.

To learn together and grow in God's love
