3rd Year 3 96.3%

4th Year 1 95.2%

5th Year 5 94.2%

6th Year R 93%

7th Year 2 88.2%

Head Lice - Let's fight them together!

If you find lice, don't worry or be embarrassed. Head lice are a normal part of childhood - nearly 1 in 10 primary school children could have head lice at any one time.

If you're a parent you probably know what a hassle it is to treat head lice and just how frustrating it can be when your child comes home scratching their head yet again.

But parents can fight the spread of head lice by working together:

- Check your family's hair for lice regularly - once a week is ideal!
- Visit your local pharmacist for guidance on the various treatments available
- Get treatment for you or your family as soon as you find live lice
- Let your friends and family know as soon as you've found live lice
- Inform school as soon as they're discovered

So Remember: Once A Week, Take A Peek!

Information

School uniform is a very important part of the life of St Joseph's. Children who wear the uniform look smart and organised.

- Boys - grey trousers, white polo shirt or collar shirt, school sweatshirt and black shoes.
- Girls - grey skirt or tunic, white polo shirt or collar shirt, school sweatshirt, grey tights and black shoes. Grey trousers can be worn in the winter months.
- It is important that girls have their hair tied back.
- Jewellery and earrings are not part of St Joseph's school uniform.

P.E. kit should consist of shorts, school P.E. shirt and plimsolls this is the same for both boys and girls. It is best if the P.E. kit is brought into school every Monday and taken home each Friday.

What to do if your child is ill

Telephone school immediately on the 1st day of your child's illness and follow it up with a letter upon your child's return. If your child has been absent for 10 sessions or more, any further absence due to illness will require medical evidence.

Rainbow bench
