GOSPEL

4th Sunday of Ordinary Time B

One day Jesus was teaching in a synagogue (church), when a man came in shouting. Something had got into him and he was in a real twist with himself. Jesus was sorry for the man. The man asked Jesus for help and Jesus said with a big smile: "Calm down, I'm here."

On Tuesday Year 3 had Mrs Potton come into class and retell her experiences of being evacuated during World War II. We all learnt so much from listening to her, and were fascinated to hear all of her different stories. Year 3 is extremely grateful to Mrs Potton for coming in, thank you again!

We had a brilliant trip to the Museum of London, where we met a lady called Jane who took us back in time to tell us all about the Great Fire of London. She was very impressed with our knowledge about the devastating event which took place in September 1666. We got to do some acting and enjoyed having a good look around the museum discovering what the inside of a 17th century house would have looked like. We also got to try on an old fashioned fire helmet. It made us all realise how lucky we are not to have houses made out of wood and narrow streets and most importantly to have the fire brigade!
