Attendance

If your child is off school due to illness or an appointment please bring in the appointment card or a letter to say why they have been off.

School Uniform

School uniform is a very important part of the life of St Joseph's. Children who wear the uniform look smart and organised.

□ Boys - grey trousers, white polo shirt or collar shirt, school sweatshirt and black shoes.

□ Girls - grey skirt or tunic, white polo shirt or collar shirt, school sweatshirt, grey tights and black shoes. Grey trousers can be worn in the winter months.

□ It is important that girls have their hair tied back.

□ **Jewellery and earrings are not part of St Joseph's school uniform.**

P.E. kit should consist of shorts, school P.E. shirt and plimsolls this is the same for both boys and girls. It is best if the P.E. kit is brought into school every Monday and taken home each Friday.

Hairbands are looking nice, but please keep them small and discreet, they should be school colours e.g green.

LATENESS

Punctuality is crucial to everyone for concentration, attainment and gaining good skills. When children are NOT on time for school it is disruptive for everyone.

Children who arrive in school ON TIME are ready to take part in all of their learning and the activities that they may be participating in.

Good evening and morning routines are extremely important for all children on school days.

The school day starts at 8.50am - All children should be on the playground and ready to line up with their class when the bell goes.

Children who arrive at 8.55am will be marked LATE. Those children who arrive once registration is closed will be marked as U which is late after registration closes and this will affect their attendance percentage.

If your child is late for school please come into the Reception Area and sign the late book.

Your continued support helps the school day run smoothly.
