## G O S P E L

Third Sunday of Lent (C)

Jesus told this story. One day a man went to pick fruit from his fruit tree. But when he got to the tree he saw that the tree had no fruit. He went to the gardener and said "We've had this tree for three years and it hasn't grown a single piece of fruit." Then the man said, "I give up, cut it down it's taking up useful space." The gardener said "Let's wait till next year, I'll look after it and manure it; maybe next year it will have fruit, if not then you can cut it down."

Before half term, we went on our trip to the Maritime Museum Greenwich where we were working in groups. We all had our own diaries about Samuel Pepys and about things in the museum. We also went to the pirate gallery; in the gallery we were playing different pirate things. There were lots of fun things to do like visiting a pirate seafood market. By Morayo.

On Wednesday Year 2 planted seeds and we drew a picture about a bean stalk. We are going to write bean diaries about our growing seeds. We had a really good day and it was great fun. By Sara
