G O S P E L

The disciples had gathered together in Jerusalem to celebrate the Feast of Pentecost and to wait for the Holy Spirit that Jesus had promised to send. One day, as they were praying together, the room was suddenly filled with the sound of a powerful wind, which roared through the house. Then, what looked like small tongues of fire appeared and spread out to touch each one of them. So it was that they were filled with the Holy Spirit.

Congratulations

Dear Parents/Carers

You will have received the letter regarding Mrs Green's retirement in July. If you would like to donate money towards her retirement gift, please put it in an envelope with your family name on and either give in to the office or put it in the money post box.

On Thursday 5th May while Years 1-6 went to Aylesford Priory, Reception went on a trip to Greenwich Park. We had a nice walk along the River, through Greenwich University and then into the grounds of the Maritime Museum. We played a quick game of 'Duck, duck, goose' then headed into the Museum.

After walking around the museum we were all very hungry so we headed back outside and enjoyed a lovely picnic on the grass. Once our tummies were full we had a short walk into the swing park. Here we played on the swings, slide and climbing equipment. We had lots of fun!

We finished our day with a very refreshing ice lolly before heading back to school.

Beth in Year 4 got very close to the sink hole that appeared overnight in Charlton and swallowed a family car. The car has now been removed and no one was in it at the time. Lots of people in nearby streets have visited the sink hole, which is getting a lot of attention from neighbours, scientists and news media.
