### Important Information

When the school gate opens at 8.40am please do not let your children play on the jungle gym or run around the playground. This is a health and safety issue. Also, parents must accompany their child in to the playground and stay with them until the children line up. At the end of the day please collect your child from the line and not wave or call out to them. This is a safety issue and staff must be aware that they are handing the children safely to their parents.

*To learn together and grow in God's love*
