### Gospel

6th Sunday Easter (A)

Jesus said to his friends, "if you love me, you will be good and keep my commandments "I shall ask my Father to send you someone to be with you and to help you. It will be just like having me with you. I won't leave you on your own.

### Very Important

Please ensure we have the correct contact details for emergency use. Has your mobile number changed? Is there a second emergency contact? All details should be given to the school office.  
Thank you.

### Attendance Winners

8th May - 12th May 2017

**Year 4 100%**

2<sup>nd</sup> Y1 - 99.0%

3<sup>rd</sup> Y3 - 98.3%

4<sup>th</sup> YR - 97.9%

### Children Falling Ill at School

A trained first aider will assess your child. When your child has temperature above 38c we will always call for them to be collected as soon as possible. If they appear unwell, especially with pain e.g. ear ache we may also ask for you to take them home where they can be more comfortable, and recover better. In cases of vomiting you will also be expected to collect your child quickly. Failure to collect your child promptly without good reason does not reflect the care for the child that is expected at this school.

### Mission Rosary Beads

Mission Rosary Beads can be purchased via the school office for £2.00.

### School Disco

Thank you to all the parents and staff who helped with the school disco last week. A special mention for our DJClarky who had everyone up boppin! He donated his services free. If you ever need a DJ you can contact him on DJClarky mobile number 07934022396.

**Reception Visit London Transport Museum**

As part of our topic on Transport we visited the London Transport Museum in Covent Garden. We travelled by bus to Lewisham train station then got the train to Charing Cross. Once in the museum we explored the different displays. We went on old buses and trains. We were also able to pretend we were a bus driver or an engineer. We were all very hungry by lunchtime and enjoyed tucking into our lunch. After we lunch we started our "Build a Bus" activity. We used mobilo to create our own buses. Some buses could fly, some buses had double or triple deckers and some could go in the water. We then headed back to school, just in time for home time! Please check out our blog on the school website for more photos.

**8<sup>th</sup> June 2017 General Election Day**  
**School Closed**
