Gospel

4th Sunday Easter (A)

Jesus says, the sheep follow the shepherd to safety because they know his voice. They do not follow a stranger's voice. The people listening didn't understand. Jesus explained, "I am the shepherd, follow me and you will find true happiness. Don't listen to others."

Barbecue Themed Menu

We will be having a barbecue themed menu on Thursday 18th May. If your child usually has packed lunch but you would like to book a lunch please see Lita or Ellen in the office. We will have a menu for that day nearer the time.

Reminders

- At St Joseph's we encourage children to ride their bikes/scooters to school. We would ask that when they reach the school gate they must walk them into school.
- A Medical Form (from the office) needs to be completed by a parent for prescribed medicine only. All medicines must be given to the office and not put in child's book bag.
- Children are not allowed to bring sweets into school only a healthy snack for break time. Sweets are treats for special times

Printed on recycled paper

Parent Volunteers

If any more parents would like to get a DBS through the school so they can support regularly on trips and in class, please come to the office for a form. Thank you to those who are already helping. For working parents who cannot help during the day there will be another call for help through the P.T.A. and please remember to keep Saturday 24th June free for our Summer Fair.

Year 2 Visit the Apple Store - Westfield

Year 2 had a fantastic trip to the Apple Store at Westfield shopping centre. They learnt how to make iBooks, and loosely based their story books on our science topic of food chains. The children were enthralled, and thoroughly enjoyed working in groups to create their digital books. The children were all given a certificate, a t-shirt and a USB memory stick wrist band. A great day was had by all!

Junior Travel Ambassadors

On Wednesday 3rd May, we were very lucky to have Helen Young, former head of the weather at BBC, deliver an assembly about the LEN project, Low Emission Neighbourhood. Our Junior Travel Ambassadors are spearheading this project, their task was to distribute diffusion tubes in and around the location of Greenwich, so they can collect any pollution in the air, these will be sent to a laboratory for testing. We will keep you informed!!!
