## Gospel

One day Jesus was teaching in a synagogue (church), when a man came in shouting. Something had got to him and he was in a real twist with himself. Jesus was sorry for the man. The man asked Jesus for help and Jesus said with a big smile "Calm down, I'm here."

## Year 4 trip to National History Museum

Yesterday, as part of their science topic, Y4 visited the Natural History Museum in London. As well as studying some incredible dinosaur fossils and escaping an animated t-rex (!), the children completed a hands-on workshop examining different types of teeth. We learnt that you can tell what any animal eats by looking at its teeth: incisors, canines or molars.

"I was amazed at how long and pointy the dinosaur teeth were!" Bernard (Y4)

"I was astonished by the animated t-rex. It looked so realistic!" Emmanuel (Y4)
