Gospel

One day when everyone was supposed to be fasting, the Pharisees and some of the people noticed that Jesus and his disciples were eating as usual. They were annoyed to see that Jewish law was being disobeyed, and they asked Jesus, 'Why are you eating while everyone else is fasting?' Jesus answered, 'The friends of the bridegroom would not fast while he is still with them. There will be plenty of time to fast when he has gone.' Then Jesus said, 'No one would pour new wine into old wineskins, because they would burst and the wine and the skins would be lost forever. New wine must be poured into new wineskins.'

LEARN TO SWIM WITH 25% OFF

The Swim School campaign is focused around driving awareness of our learn to swim programme, with an overall aim of increasing summer participation numbers amongst non-members. We are aligning with our partners, STA (Swimming Teaching Association) to promote their international Learn to Swim Week. Each day of the week has its own message/theme and throughout the campaign period we will be offering a 25% off discount across all Swim School on the final basket purchase.

- MONDAY - Water Safety
- TUESDAY - Disability Swim and Inclusive
- WEDNESDAY - Water Confidence
- THURSDAY - Adult Learn to Swim
- FRIDAY - Parent & Baby Swim
- SATURDAY - Family Swim
- SUNDAY - Water Life Skills

Think B4 U Click Assembly

This week Christ Church Primary School joined Year 6 for a 'Think B4 U Click' assembly. We were learning about how to be safe and kind online, how to make sure our online footprint is good and what children our age are getting themselves in to. These days, many children from ages five and above are getting hold of an electronic device, whether it's an iPad, phone or a computer. 'Think B4 U Click' helped to teach us how to be familiar with the internet and to be familiar with what dangers it could have.

Year 3 visit to Good Shepherd Mass

On Wednesday all of Year 3 and 21 other children from KS2 went to Aylesford Priory for the Good Shepherd Trip. We wrote Peace Poems and created a balloon design which we swapped with another school when we were there - we counted about twelve other schools celebrating on the theme of 'Peace.' Emma was one of those leading the procession - she was one of three children chosen to carry our banner in the procession 'I really enjoyed leading the procession' After the Liturgy we had a picnic in the grounds and then we played football and other sports games - we managed to avoid the ducks and the geese who guard the lake, they didn't want to join in the football! The coach brought us back just in time for the end of the school day.

Steel Pans

On Thursday, St Joseph's were treated to a special assembly by the Steel Pan Agency. As well as learning about the origins of the music on the Caribbean island of Tobago, Y4 and Y6 also completed a steel pan workshop where they got to play one of these incredible instruments!

"Everyone enjoyed playing together; it sounded really cool!" Satine (Y6)

"Did you know a steel pan can cost up to £2000 to make?" Essa (Y4)

"I couldn't help but dance when I heard the music!" Mr Yearley (Y4)

The morning left us all with so much positive energy we now feel ready for the Whitsun holiday!
