Gospel

23rd Sunday Ordinary Time B

Jesus was returning to Sea of Galilee when some people brought to him a man who was deaf and could not speak properly. They asked Jesus to help their friend. Jesus was filled with pity and led the man away to a quiet place where he touched his ears and tongue with his hands, and looking up to heaven said, "Be opened!" at once the man could hear and speak clearly! The man and his friends were amazed, and they told everyone they met about the miracle Jesus had performed.

Contact Numbers

Letters are going out on Monday, to update your contact details as by law the school **MUST** have two different emergency contacts

Resolving Issues between Pupils

Dear Parents/Carers

Please allow staff to resolve disputes between pupils. Please speak to your class teacher in the **first** instance, who will be best placed to help the children establish positive relationships.

Welcome Back

A warm welcome back to children and families in Y1 to Y6, how smart you all look! Year group curriculum newsletters, packed with this term's exciting programme, will go out next Friday. Look out for Portuguese in Y3 & Y4, French from a specialist teacher in Y5 & Y6 and the Prince William Award in Y5. Our first Parent/Carer coffee morning will be on Friday 14th September. Look forward to seeing you
Mrs Mouquet

Polite Reminder

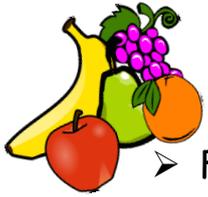

School equipment is available. Individual pencil cases and personal equipment should be left at home. It is often the cause of disagreements

Newsletter - Saving Resources

As from week beginning 24th September we will be putting the newsletter only on the website and sending out the link in a text. If you still require the newsletter as a paper copy please contact the office by 21st September and this will be arranged.

To learn together and grow in God's love

Healthy Living

- Fruit only for snacks
- Healthy lunch boxes
- Walk to school where possible
- Sensible shoes

Lateness

Please make sure that your child arrives in school on time. The school day starts at 8.50am. It is extremely important that children arrive on time ready to start the school day. When children arrive late this is extremely disruptive to the Class as lessons begin promptly.

EVERY MINUTE COUNTS

Being late also has a big effect on a child's learning and development.

Lateness = Loss of learning over the academic year

- 5 minutes late each day - 3 days lost
- 10 minutes late each day - 6.5 days lost
- 15 minutes late each day - 10 days lost
- 20 minutes late each day - 13 days lost
- 30 minutes late each day - 19 days lost

Don't Be Late
