Gospel 33rd Sunday Ordinary Time B

Jesus said to his disciples "One day I will return, and you will know that the time has come because of these signs: the sun will grow dark, the moon will lose its brightness, stars will fall to earth and even the sky will shake. Then the Son of God will appear in all his glory, and send his angels to gather his people together from all over the world. Only my heavenly Father knows when all this will happen, so stay awake and be ready!"

First Holy Communion Registration at St Joseph's Church

Trees from the Woodlands Trust

The Woodland Trust have set up a scheme where they give free trees to schools and communities. We applied for the 'hedge' pack and recently received 30 trees with the following species:

- dogrose
- hawthorn
- hazel
- crab apple
- elder

The children in Reception have had the opportunity to plant these trees in our Forest School area. We hope that as the children grow they will be able to watch their tree grow as well.

We each dug our own hole for the tree using a spade. We found many worms hiding under the soil. Once we had dug our hole we placed the tree in the hole and filled the soil back around the tree making sure it had covered the roots. We placed a bamboo stick next to the tree to identify where the tree is growing and prevent it from being walked on.

If you are near the Forest School area please take a look at our trees as they grow.
