Gospel
2nd Sunday of Lent Time C

One day Jesus asked Peter, James and John to come and pray with him. He led them to the top of a steep mountain, where it was peaceful and quite, and they could be alone. Jesus began to pray to his heavenly Father when suddenly he appeared to change! His face and clothes shone with a brilliant light, as dazzling as rays of sun. Then the disciples saw Moses and Elijah on either side of Jesus, talking to him. Peter jumped to with excitement and said, "Lord, this is wonderful! I could make three shelters one for each of you!" At that moment a cloud streaming with light appeared above them, and a voice said "This is my Son, whom I love very much. Listen to what he says." The disciples were so terrified that they threw themselves to the ground and hid their faces. Then Jesus said gently, "Get up my friends, do not be afraid." When they looked up, Jesus was standing alone.

Investigation

Last Friday, the whole school took part in a Forensic Science Workshop to mark the beginning of British Science Week 2019. We learned that there had been a crime committed and we needed to find primary evidence such as fingerprints and DNA to work out who the criminal was!

To learn together and grow in God's love
