Gospel

23rd Sunday Ordinary Time C

Jesus said to the crowd, 'If a man plans to build a house, he works out how much it will cost before he begins. Otherwise he might lay the foundations and then find out he cannot afford to finish the work. If a king's army of ten thousand men is preparing to fight an army of twenty thousand men, would the King not consider whether he might win or lose? If defeat is likely then he will send out messengers to make peace with his enemy.' Then Jesus said, 'If anyone plans to follow me, then he must count the cost of being my disciple and belonging to the kingdom of God.'
