Gospel

24th Sunday Ordinary Time C

After overhearing the Pharisees complaining about him spending so much time with tax collectors and sinners, Jesus told a parable: 'Once there was a woman who had ten silver coins. One day as she counted her savings, she realised that one of her precious coins was missing! The woman was poor, and to even lose one small coin made her very sad. So she lit her lamp and looked under all the furniture. She swept every corner of the house and searched until finally she found it! Picking up the coin she ran to tell her friends the good news.' Then Jesus said, 'God will search for anyone who is lost, and rejoice when he finds them.'
