Mobile Phone Ban - Thank You!

We have decided to ban the use of mobile phones on the school site.

They have very little educational or safety value in this age group, and simply create an unnecessary distraction for children, parents and staff.

The support of our parents is greatly appreciated.

Today Years 1-6 were able to do cooking making a salad with cucumber, lettuce, red peppers and tomatoes. We mixed it with cooked croutons and yoghurt. We learnt about cutting up food safety too. It was a great lesson! A big thank you to the 4 parents who came in and helped out.

Harvest Festival

Please start sending in for our harvest collection each class will make a hamper. Please support us by donating any of the following, tin food, especially custard and rice pudding. Pasta, cereal or any non-perishable food that is unopened and in date.

Please give it to staff in the classroom. Hampers will be donated to local charities.

Harvest Festival will take place on 17th October 11am at St Joseph Church, all parents are welcome to attend.

Air Quality Workshop

Some children from year 4 & 5 have been working on the air pollution around this area. They will be on the playground on 15th October with a fact corner about what they have learnt and they will also be handing out their newsletter that they have had all the input in.

Please make sure you visit them on the junior's playground after school.
