## Jimmy Mizen Community Cup

On Thursday 7<sup>th</sup> November 9 pupils from years 5 & 6 represented the school in a football tournament at Millwall's training grounds. They did really well finishing 4<sup>th</sup> in their group, well done to everyone that took part you represented the school perfectly.

## Year 1 trip

Year 1 visited Westcombe Woodlands on Tuesday morning. We explored the woods, created woodland animals using natural materials and made food for the trees that we planted in Reception. We were very excited to see how much our trees had grown and learning about the owl who lives in the woods. A huge thank you to those who accompanied us on our trip, we hope you enjoyed it as much as we did!

'My favourite part of the trip was collecting leaves.' Abu

'My favourite part of the trip was drinking hot chocolate in the woods and eating biscuits.' Esther

'My favourite part of the trip was seeing the robin and blackbird.' Olivia

## Year 2 trip to Tower of London

On Wednesday Year 2 had a fantastic trip to The Tower of London. We travelled up along the river Thames on the Clipper. It was a lovely journey and best of all no traffic jams!

When we arrived we walked around the site spotting all the different animal sculptures - the reason there are so many is because the tower used to play host to some of the most exotic animals which were sent from other royals from around the world, this vast collection eventually went on to form our very first London. We also got to see the Crown Jewels which was an added bonus as for once there was no queue. Mr Puszyk told lots of stories about the history from then tower, the children were very engrossed. We ended our visit with a Fire of London workshop which recapped all the information the children have learnt so far. After that it was a quick dash back to millennium pier to catch our boat! The children and adults all had a wonderful time and were definitely all need of a rest that evening.
