TIMES TABLES ROCKSTARS

Please encourage your child to log on and keep practicing as learning their times tables can really help with fluency and reasoning skills in many areas of Maths.

Gospel 2nd Sunday Ordinary Time A

The next day John saw Jesus coming toward him. John said, "Look, the Lamb of God. He takes away the sins of the world! This is the One I was talking about. I said, 'A man will come after me, but he is greater than I am, because he was living before me.' Even I did not know who he was. But I came baptizing with water so that the people of Israel could know who he is." Then John said, "I did not know who the Christ was. But God sent me to baptize with water. And God told me, 'You will see the Spirit come down and rest on a man. That man is the One who will baptize with the Holy Spirit.'" John said, "I saw the Spirit come down from heaven. The Spirit looked like a dove and rested on him. I have seen this happen. So I tell people: 'He is the Son of God.'"

Reception's Road Safety Workshop

On Tuesday 14th January Reception had a road safety workshop where they learnt about different vehicles on the road, what to do when we get off a bus. Aeva dressed up in brightly coloured clothes so she could be seen in winter. We all practiced crossing the road using a zebra crossing and Courtney dressed up as a lollipop man. We also spoke about what you should wear in a car for our safety.

Comic Strip Road Safety Competition

In St Joseph's we have a lot of road safety talks throughout the school. We are launching a road safety comic strip competition. You have to create a story about road safety, all the information is on the sheets attached to the Newsletter. Please return all entries by **Wednesday 29th January** to Mrs Openshaw

Attendance Matters

LATENESS Please make sure that your child arrives in school on time. The school day starts at 8.50am. It is extremely important that children arrive on time ready to start the school day. When children arrive late this is extremely disruptive to the Class as lessons begin promptly. **EVERY MINUTE COUNTS** Being late also has a big effect on a child's learning and development

Lateness = Loss of learning over the academic year
5 minutes late each day - 3 days lost
10 minutes late each day - 6.5 days lost
15 minutes late each day - 10 days lost
20 minutes late each day - 13 days lost
30 minutes late each day - 19 days lost
The school recognises that there may be times when lateness is unavoidable. This may be due to traffic or severe weather conditions. This will show up in the register as a whole.
