B. HOW COULD MY CHILD GET HELP IN SCHOOL? :

Children in school will get support that is specific to their individual needs. This may be all provided by the class teacher or may involve:

- Other staff in the school
- Staff who will visit the school from the Local Authority central services such as the ASD Outreach Team or Sensory Service (for students with a hearing or visual need)
- Staff who visit from outside agencies such as the Speech and Language therapy (SALT) Service.

If this is the case they will write an EHC plan. If this is not the case, they will ask the school to continue with the support at SEN Support and also set up a meeting in school to ensure a plan is in place to ensure your child makes as much progress as possible.• The EHC Plan or Statement (if your child still has one) will outline the number of hours of individual/small group support your child will receive from the LA and how the support should be used and what strategies must be put in place. <p>How will we support your child with identified special needs starting at school?</p>	<ul style="list-style-type: none"> • We will first invite you to visit the school with your child to have a look around and speak to staff • If other professionals are involved, a team around the Child (TAC) meeting will be held to discuss your child's needs, share strategies used, and ensure provision is put in place before your child starts • Your child's key person may make a home visit and also visit your child if they are attending another provision • We may suggest adaptations to the settling in period to help your child to settle more easily • We will contact your child's previous setting to find out as much information about your child as possible to ensure the school provides all the appropriate support your child needs. • We will arrange visits to the school for your child in addition to the standard Summer Term visit by all the new children if this is thought to be beneficial. • We will contact any relevant professionals already involved in your child's care to ensure all information about your child is shared with the school. 		
<p>How can I let the school know I am concerned about my child's progress in school?</p>	<ul style="list-style-type: none"> • If you have concerns about your child's progress you should speak to your child's class teacher/key worker initially. • If you are not happy that the concerns are being managed and that your child is still not making progress you should speak to the SENCO or Headteacher • If you are still not happy you can speak to the school SEN Governor. 		
<p>How will the school let me know if they have any concerns about my child's learning in school?</p>	<ul style="list-style-type: none"> • When a teacher or a parent has raised concerns about your child's progress, and targeted teaching has not met the child's needs, the teacher will raise this with the SENCO. • Schools also have meetings every term between each class teacher and a senior staff member in the school to ensure all children are making good progress. This is another way your child may be identified as not making as much progress as expected. • If your child is then identified as not making progress the school will make a decision about 		

	<p>whether to monitor this or set up an intervention group and will inform you.</p> <ul style="list-style-type: none"> • If your child is still not making expected progress the school will discuss with you <ul style="list-style-type: none"> ○ Any concerns you may have ○ Discuss with you any further interventions or referrals to outside professionals to support your child’s learning ○ To discuss how we could work together, to support your child at home/school.
<p>How do we ensure that the views of your child (and other children with SEND in the school) are used to plan for them and for SEND within our school?</p>	<ul style="list-style-type: none"> • The school council provides the opportunity for pupils to voice their views. The school council is guided by Mrs Lisa Lazell (Executive Head teacher). • Pupil questionnaires are sent out to the children to establish their likes and dislikes of school and their responses are used to influence planning. Pupil voice within SEND is being developed by the SENCO. This will include the use of questionnaires to understand pupils views.
<p>How is extra support allocated to children and how do they move between the different levels?</p>	<ul style="list-style-type: none"> • The school budget, received from Greenwich LA, includes money for supporting children with SEN. • The Head Teacher decides on the budget for Special Educational Needs in consultation with the school governors, on the basis of the needs of the children currently in the school. • The Head Teacher and the SENCO discuss all the information they have about SEN in the school, including <ul style="list-style-type: none"> ○ the children getting extra support already and the impact it is having. ○ the children needing extra support ○ the children who have been identified as not making as much progress as would be expected. <p>And decide what resources/training and support is needed.</p> • All resources/training and support are reviewed regularly and changes made as needed.

Who are the other people providing services to children with SEN in this school?	A. <p>How are the adults in school helped to work with children with an SEND and what training do they have?</p>	<ul style="list-style-type: none"> • The SENCO's job is to support the class teacher in planning for children with SEN. • The school has a school development plan, including identified training needs for all staff to improve the teaching and learning of children including those with SEND. This may include whole school training on SEND issues or to support identified groups of learners in school, such as ASD, dyslexia etc. • Whole staff training to disseminate knowledge, strategies and experience, to ensure consistency of the school's approach for children with an SEND. • Individual teachers and support staff attend training courses run by outside agencies that are relevant to the needs of specific children in their class e.g from the ASD Outreach service, STEPS and Sensory service or medical /health training to support staff in implementing care plans. <p>Training takes place on a regular basis. If you would like to hear about the training which is currently taking place or has taken place by the staff members in the school, please speak to the Headteacher or SENCO.</p>	
<p>How will the teaching be adapted for my child with learning needs (SEN/ and or disabilities)</p>	<ul style="list-style-type: none"> • Class Teachers plan lessons according to the specific needs of all groups of children in their class, and will ensure and will ensure that learning tasks are adjusted in order to enable your child to access their learning as independently as possible. This is all part of their Quality First Teaching. • Specially trained support staff can implement the teachers modified/adapted planning to support the needs of your child where necessary. • Specific resources and strategies will be used to support your child individually and in

<p>How will we measure the progress of your child in school? And how will I know about this?</p>	<ul style="list-style-type: none"> • Your child's progress is continually monitored by his/her class teacher. • His/her progress is reviewed formally every term in reading, writing and numeracy as well as progress in other areas, as appropriate, such as attendance, engagement in learning and behaviour. • If your child is in Year 1 and above, but is not yet at National Curriculum levels, a more sensitive assessment tool is used which shows their level in more detail and will also show smaller but significant steps of progress. The levels are called 'P Scales'. Progress within P-Scales are reviewed and recorded every term. • At the end of each key stage (i.e. at the end of year 2 and year 6) all children are required to be formally assessed using Standard Assessment Tests (SATs). This is something the government requires all schools to do and are the results that are published nationally. • Children at SEN Support will have an IEP (or PLP) which will be reviewed with your involvement, every term and the plan for the next term made. • The progress of children with an EHC Plan/ Statement of SEN is formally reviewed at an Annual Review with all adults involved with the child's education. • The SENCO will also check that your child is making good progress within any individual work and in any group that they take part in. • A range of ways will be used to keep you informed, which may include: <ul style="list-style-type: none"> ○ Home/school book ○ Letters/certificates sent home ○ Additional meetings as required ○ Reports
<p>How will we make arrangements</p>	<ul style="list-style-type: none"> • See PSHE policy on the school website: https://stjosephs.greenwich.sch.uk/wp-

This is in addition to the RE curriculum taught within the school. • Circle Time takes place regularly in every classroom and as the need arises. • Counselling sessions within school. • A clear Behaviour Management Policy that emphasises celebrating positive behaviour: https://stjosephs.greenwich.sch.uk/wp-content/uploads/2019/01/St-Josephs-Catholic-Primary-School-Behaviour-Policy-2019.pdf
<p>How is our school made accessible for students with SEND?</p>	<ul style="list-style-type: none"> • All children are given Quality First Teaching which is fully inclusive and endeavours to meet the needs of all children. • the SEND support document put together by the LA: http://familiesinformation.royalgreenwich.gov.uk/kb5/greenwich/fsd/localoffer.page • Additional support staff deployed where appropriate • Advice sought from external agencies and referrals made if needed • Appropriate resources are used for children where felt necessary
<p>How does our school make special arrangements for looked after Children (LAC) with SEND?</p>	<ul style="list-style-type: none"> • We consult with the virtual school – Head Teacher and SENCO as appropriate for personalised support as required. We also liaise with the allocated social worker, to ensure all agencies are working collaboratively to develop an appropriate support package (PEP/EHCP/Statement) for each child. • We review the child’s needs and progress regularly, for example before entering the school to ensure a smooth transition from their previous setting and then at regular intervals. • We ensure Pupil Premium funding is being used to effectively enable the child to meet their outcomes. See pupil premium policy: https://stjosephs.greenwich.sch.uk/wp-content/uploads/2016/01/Pupil-Premium-January-2016.pdf • The SENCo ensures that training and policies are supportive of looked after children with SEND

<p>How have we made this school physically accessible to children with SEND?</p>	<ul style="list-style-type: none"> • The school is accessible to children with physical disability.. • We ensure that equipment used is accessible to all children regardless of their needs. • The school has a disabled toilet. • The school has visits from Greenwich Sensory Service providing advice for the school when appropriate.

<p>How will we support your child when they are leaving this school? OR moving on to another class?</p>	<p>We recognise that ‘moving on’ can be difficult for a child with SEN/and or disabilities and take steps to ensure that any transition is as smooth as possible.</p> <ul style="list-style-type: none"> • If your child is moving to another school: <ul style="list-style-type: none"> ○ We will contact the new school’s SENCO and ensure he/she knows about any special arrangements or support that need to be made for your child. ○ We will make sure that all records about your child are passed on as soon as possible. • When moving classes in school: <ul style="list-style-type: none"> ○ Information will be passed on to the new class teacher IN ADVANCE and in most cases, a planning meeting will take place with the new teacher.
