Dear Parents and Carers

It has come to my attention that there have been several incidents of inappropriate behaviour towards children, their families and more recently, staff. This sort of behaviour is unacceptable and will not be tolerated. Safeguarding is a priority and any behaviour that puts the safety of our children, staff and families at risk, could lead to your permission to enter the premises being withdrawn.

We expect all members of our school community to treat each other with respect at all times.

Please do contact the office if you have any questions related to this matter.

Yours sincerely

Lisa Lazell

Executive Head Teacher
