

## Inverted commas

Add inverted commas to the sentences to show when someone is speaking. Then read the speech aloud using expression and intonation.

Did you hear about what's happening at school next week? said Alfie. It's the tennis championships!

Do you think we'll get to enter?  
asked Sam.

Yes! replied Alfie. I think we're  
in with a really good chance  
of winning.

I can't wait! cried Sam.

One person could  
take on the role of  
Sam and one of Alfie.
