## Science Activity Support

Me and Paddington had some fun on our little Island (our Kitchen) and built a shelter using a folder, chopping board and a tea towel.

Our plant made Paddington feel like he really was on an island!

## Dive Deeper Challenges - Week 2

### What to do:

### What you need:

#### 1. Making History!

We are currently living through significant changes in history. Why not make a time capsule to remember in years to come.

Keep a log of who you are with during Lockdown and what you are getting up to.

A pencil and some paper.  
You could also print the example picture below.

#### 2. Go explore!

The weather is lovely now, why not go and explore the wildlife near you? You could even spy on birds out of your window!

Keep an eye out for the wildlife you can see around you. Do you see different animals when the weather is different?

#### 3. To draw:

Can you draw a portrait of you or someone in your house.

Draw what the person or you look like. Focus on the features of their face.

A mirror or volunteer.  
Paper and pencil.

#### 4. To cook:

Can you have a go at making your own fruit salad?

Get creative in the kitchen with someone at home and make a fruit salad!

Fruit of your choice  
Chopping board  
Knife

**5. To create:**

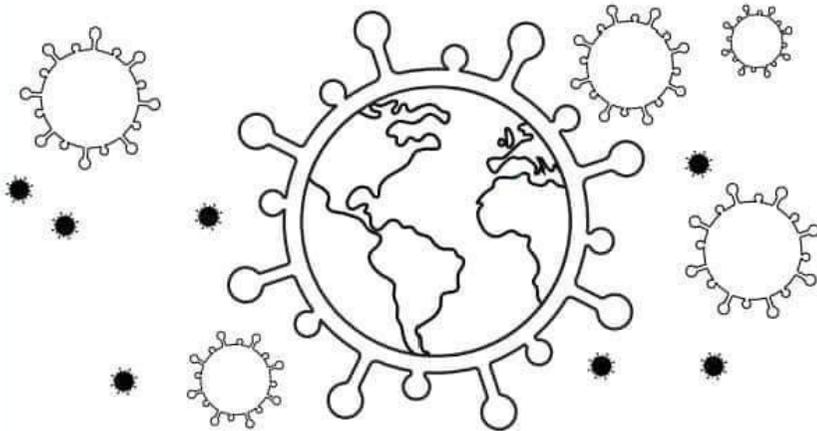

Could you create your own dance routine to your favourite song?

Get funky and create your own dances with your family to your favourite song,

Some music or, you could even make your own song up!
