

Year 2 - Curriculum Planning - Week 2

You can choose the order of the learning or do it in the order given.

	Activity 1	Activity 2	Activity 3	Activity 4	Activity 5
	RE - Spread the word	Science - Seasons	DT - Pizza Faces	Geography - Food	Art - seasons
Subject	<p>Read Luke 24: 1-9 (see below) How do you think the women were feeling? What was the message the men gave to the women? What had Jesus told them to remember? Discuss the words used.</p> <p>How do you think the eleven disciples felt when they heard the news from the women? Design a 'Good News' poster - sharing the good news that Jesus has risen. Make it bright, use bold letters and share the word of the Lord.</p>	<p>Read the information below and revise what you know about the seasons and night and day.</p> <p>If you can watch the clips on BBC Bitesize to help you: https://www.bbc.co.uk/bitesize/articles/zk9mxyx</p> <p>Draw a picture showing the weather in the four seasons. Include yourself in the picture, doing an activity, what would you be doing in that season and what would you be wearing? Write a caption explaining your activity for each season.</p>	<p>Design a healthy pizza. Make the toppings in the shape of a face. Include '5' vegetables you could use for the toppings. Don't forget tomato sauce can be used on the base (that counts as 1). If you get a chance you could make your own pizza.</p>  <p>See the recipe below. You can even make simple pizzas using pitta bread as the base.</p>	<p>Where does food come from? Think about how food is presented in the shops. Where is different types of food stored? What it is stored in, how it is packaged and why. Where can you buy fresh, frozen and fast food from?</p> <p>Look for pictures on packets of food at home, can you see where the food comes from?</p> <p>See if you can find food from 10 different countries? Use a map of the world to find the countries.</p> <p>See the map of the world below. Watch this clip to help: https://www.bbc.co.uk/bitesize/topics/zn3v4wx/resources/1</p>	<p>We are experiencing some beautiful spring weather. Draw a picture or make a collage to create a spring scene. What can you see from the window? What signs of spring might you see on a walk in the park?</p>  <p>What animals and plants could you include in your picture?</p> <p>Choose your colours carefully. Once you have finished your artwork share it with your family. What do they like about your picture?</p> <p>If you were to do another Spring scene how would you do it differently? What art techniques did you use?</p>
Daily challenge	<p>What can you use an empty bottle for? Think of as many ways as possible to use empty bottles.</p>	Design a healthy pizza!	<p>What adjectives could you use to describe an elephant? Now choose a different animal to challenge someone at home.</p>	Can you name the 5 senses?	<p>Name an object in your home starting with each letter of the alphabet. A is for apples...B is for...</p>

Your work might end up in the weekly newsletter - email pictures whenever you can.

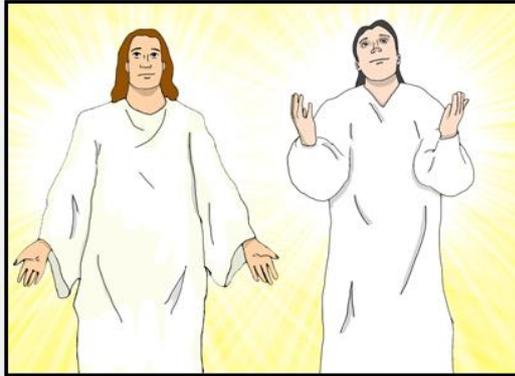

RE - Luke 24: 1-9

Very early on Sunday morning the women went to the tomb where Jesus had been laid.

They found the stone covering the tomb had been rolled away, so they went in; but they did not find the body of the Lord Jesus.

They stood there puzzled about this, when suddenly two men in bright shining clothes stood by them. Full of fear, the women bowed down to the ground, as the men said to them,

'The Lord Jesus is not here; he has been raised from the dead he is alive. Remember what he said to you while he was in Galilee: that he would be crucified, and three days later rise to life.'

Then the women remembered his words and returned from the tomb, and gave the message to the eleven disciples and all the rest.

Science - Revise Seasons

Here is a list of the seasons, the months they occur and typical weather.

Spring - March, April and May. The weather in spring can be sunny, rainy and windy.

Summer - June, July, and August. The weather in summer can be dryer, sunny and warmer.

Autumn - September, October and November. The weather in autumn can be rainy, windy and colder.

Winter - December, January and February. The weather in winter can be wetter, colder, frosty and snowy.

Day and night The Earth is lit up by the sun, which is a star. The Earth spins on an invisible line called 'an axis'. Half of the Earth is always facing the Sun, meaning it is lit up. The other half is in darkness until the planet spins around. That's why we have day and night!

During the spring and summer months the days get longer and the nights get shorter, while in the autumn and winter months the days get shorter and the nights get longer.

DT - Making a pizza face

Ingredients

For the base:

- 200g plain flour
 - 250ml warm water
 - 1 tsp dried yeast
- (Alternatively, use shop-bought pizza bases, large or small.)

For the base topping:

- Tomato puree or pizza sauce
- Sprinkling of herbs such as oregano (optional)
- Grated cheese

Toppings for the facial features:

Sliced peppers, tomatoes, olives, ham or bacon pieces, pineapple, mushrooms, sweetcorn, baked beans, pepperoni, courgette, aubergine.

(Various different toppings can be used to create a variety of unique faces – be creative!)

Equipment

Baking trays, bowl, teaspoon, wooden spoon, knife, grater.

Method

1. Preheat your oven to 180°C/gas mark 4.

To make the dough:

2. Mix together the yeast and water.
3. Let the mixture rest in a warm place for approximately 8–10 minutes (or follow the instructions given on the yeast packet).
4. After this time, mix in the flour and knead the mixture until it forms a firm dough.
5. Sprinkle a clean surface with flour.
6. Roll the dough out into a large circle or divide the mixture into 3–4 smaller balls and roll into mini pizza bases.
7. Bake the dough for approximately 4–7 minutes (depending on the size of your bases).

For the topping:

8. Spread your tomato puree or pizza sauce onto the cooked bases.
9. Sprinkle the grated cheese on top.
10. Now, be creative by using a range of toppings to create your own unique pizza faces!
11. Put the finished pizza(s) back in the oven for 5–10 minutes.
12. Enjoy eating your deliciously unique fun pizza faces!
