Art and Design Day 1 Activity: Examples.

To create your cottage you could use old cereal boxes, old toilet roll tubes and paper.

Me and Paddington used an old tissue box and some paper to make ours.

Day 2 - Science Activity Support

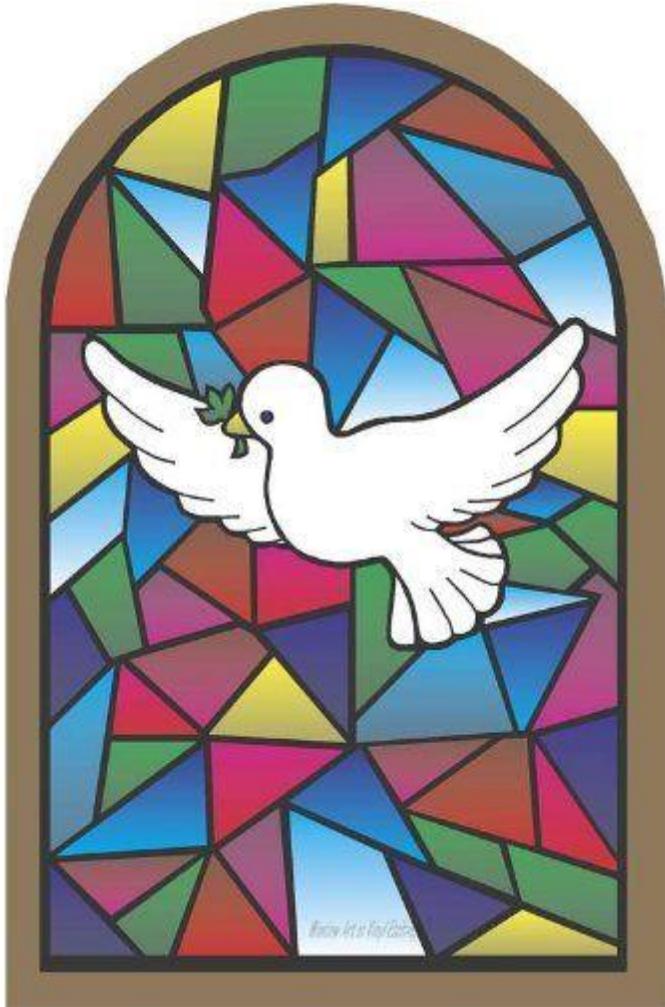

Me and Paddington designed our map to have palm trees near the ocean, a small wood, some quicksand (hopefully we won't get stuck!), skull rocks, a crocodile lagoon, Blackbeard's Mountain and finally some caves.

What will your island map look like?
