

Year R - Curriculum - Summer 2 – Week 2

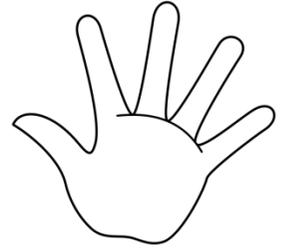

You can choose the order of the learning or do it in the order given.

Activity 1	Activity 2	Activity 3	Activity 4	Activity 5
<p>Understanding of the World – RE</p> <p>Look at the picture below. "God saw that all He had made was very good". Identify different features in the picture.</p> <p>What so you love most about God's world?</p> <p>Draw and /or write about all the things you love about God's world.</p>	<p>Understanding of the World - Science</p> <p>Sugar Crystal Sparklers experiment.</p> <p>You will need:</p> <ul style="list-style-type: none"> • Very hot water (an adult needs to be in charge of this) • Jug • Spoon • Wooden skewer/lolly stick • Sugar • Food colouring • Jar • Clothes peg <p>See below for the method for this experiment.</p>	<p>Personal Social Emotional Development</p> <p>Our topic with Jigsaw Jenie this half term is "Changing Me". </p> <p>This week we are going to look at healthy and less healthy foods.</p> <p>Look at the pictures below which foods should we only eat sometimes (in moderation) because they are less healthy. Which foods are good for us and we can eat more often?</p> <p>Can you make yourself something healthy to eat? It could be a healthy lunch, a fruit kebab, fruit salad, or a healthy sandwich.</p>	<p>Expressive Arts and Design - Art</p> <p>Using junk modelling boxes can you make an animal?</p> <p>What animal can you make?</p> <p>How many boxes have you used?</p> <p>How can you stick the boxes together?</p> <p>See below for an animal Miss Dingley has made – can you guess what it is?</p>	<p>Understanding of the World and Expressive Arts and Design</p> <p>In the film the Lion King (set in Africa) Simba (the lion) meets two new friends Timon (a meerkat) and Pumbaa (a warthog). They sing a song to Simba called "Hakuna Matata".</p> <p>Can you find out what "Hakuna Matata" means?</p> <p>Click on the link below to listen to the song. Can you learn the words to the song?</p> <p>Hakuna Matata</p> 

See below for: God's Wonderful World (RE), Sugar Crystal Sparklers sheet (Science), Foods (PSED), A photo of Miss Dingley's animal (EAD)

Take 5

This week we are going to talk and listen.
Tell someone about something from the list below. Now it is your turn to listen.

Tell me about...

1. ... your favourite story.
2. ... your favourite animal.
3. ... something you remember about school.
4. ... your favourite meal.
5. ... a friend.

Understanding of the World - RE

Sugar Crystal Sparklers

Science Experiment

Method

1. Before the activity, pour a cup of very hot water (just-boiled water works best so an adult should do this step) into the jug.
2. Add a cup of sugar to the mixture, a spoonful at a time and stir the mixture until all the sugar dissolves. As the water is still very hot, this step is best do to before children participate in the experiment.
3. Carefully pour the mixture into the clean jar.
4. Add a few drops of food colouring to the mixture and stir.
5. Dip the skewer into the warm mixture and then sprinkle some extra sugar onto the wet end of the skewer and leave it to dry.
6. Once the mixture in the jar has cooled, attach a clothes peg to the clean end of the skewer and balance it on the jar, so that the sugary end of the skewer is in the sugary mixture.
7. Leave the jar in a warm place for a few days and watch as sugar crystals develop on the end of the skewer, making a sugar crystal sparkler!

You will need:

Very hot water

Jug

Spoon

Wooden skewer (blunt if possible)

Sugar

Food colouring

Jar

Clothes peg

Personal, Social and Emotional Development

Sort the foods into healthy (can eat everyday) and less healthy (only eat sometimes).

Expressive Arts and Design

Miss Dingley has been busy making an animal using old boxes, washing liquid cups, a tube and tape.

Can you guess what animal she has made?

Now see if you can make an animal even better than Miss Dingley.
