18th June 2020

Dear Parents/Carers

### **Return for Transition – July 2020**

As you will be aware, the Government has retracted the statement that all primary children will return for a month before the Summer break. As schools, we have now been given advice to look at the provision we can offer to other year groups, if space and staff allow.

At St Joseph's, having looked at how we can accommodate the children, at present we do not have the additional space or staff to invite all the children back. However, we recognise the importance of ending an academic year and meeting with the new teacher for the year ahead is for our children and parents.

With that in mind we will be offering transition days for the children to spend some face-to-face time with their current teacher and also with their teacher for next year, by way of introduction. Separate arrangements will be made for the children currently in Year 6. If you would rather your child does not attend school or they are unable to, time with teachers will also be offered on-line for children using a video link.

This will take place during a morning or an afternoon session in week beginning 13th July. Children will be placed into bubbles meaning that not all class members will attend at the same time.

Please indicate whether or not you wish your child/children to be a part of the planned transition arrangements by [clicking here and completing our online form](#).

If we do not receive a response from you by Monday 22<sup>nd</sup> June, we will assume you do not require a place. **We will not be able to allocate places for transition after this date.**

Yours sincerely

Mrs Jacki Keogh  
Head of School
