Does the string need to be loose or tight?</p> <p>Make sure you work together with the people you live with. This is an activity that requires more than one person.</p>	<p>Let's have some fun this week.</p> <p>Can you name all of the continents of the world and then a country from each one?</p> <p>Look at the sheet below, there are some clues to help you!!</p> <p>Make sure you email me your results.</p>	<p>Today I'd like you to use your skills that you have learnt with using a pencil, to draw one of the features of your face to practice for a self portrait in a few weeks.</p> <p>Look first at your lips, these are perhaps the easiest to draw as they have a definite shape.</p> <p>Look very carefully in the mirror before you start to draw.</p> <p>Only use a pencil and a rubber if you HAVE to.</p> <p>You can have a look on google if you would like to, but I don't want you to think that your drawings have to look like those.</p> <p>When you draw look for 5 seconds then draw!!</p>

RE

A letter from St. Paul to the people living in Colossae:

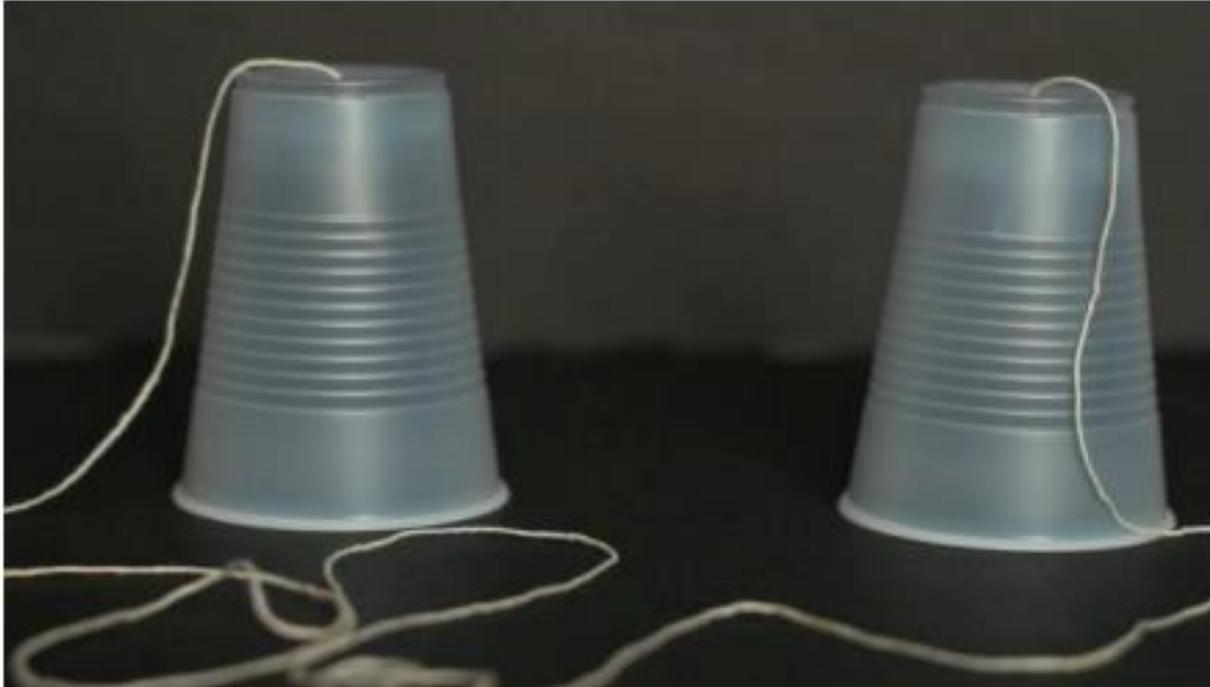

As God's chosen ones, holy and beloved, clothe yourselves with compassion, kindness, humility, meekness, and patience. Put up with one another and, if anyone has a complaint against another, forgive one another; just as the Lord has forgiven you, so you also must forgive. Above all, clothe yourselves with love, which binds everything together in perfect harmony. And let the peace of Christ rule in your hearts, that is why you belong to the Christian family. And always be thankful.

Colossians 3: 12-15.

 2. Measure 5 metres of string.
 3. Thread one piece of string through each hole from the outside to the inside of each cup so that they are connected by the string.
 4. Tie a big knot on the inside of each cup so that the string cannot slip through the hole.

What can you do to improve your string telephone? Test your ideas, evaluate how well they worked.
