

## Year 2 - Summer 2 - Week 7 Three Day Project

This week I would like you to create a fact file all about yourself as a learner. This 'three day project' can take the form of an email/powerpoint/poster/'things you should know about me' leaflet/'idiots guide to how I learn' booklet - or any other way you can think of that you would like to present your project. This is similar to the miniature book theme but with more of an emphasis on yourself as a learner. Think about your interests, favourite subjects and what helps you to learn best. Please feel free to try and incorporate as many different skills into the production of your project. Include hand drawn illustrations, and perhaps some graphs to represent any facts you may wish to share with us.

This will complement the activities carried out during transition days and allow you to reflect on your attitudes and behaviour towards learning.

Select some of the questions below as subheadings to help get you started.

- What do you think helps you to learn best?
- What have you tried hard to improve this year at school?
- What is your favourite thing to do?
- What would you like to improve?
- What are you really good at?
- What is your favourite subject? - Reading, Writing, Maths, Geography, History, Science RE, PE, Music, Art?
- What is your favourite book?
- What special talents/skills do you have?
- What have you felt proud of this year?
- What makes you special?
- What makes you a good friend?
- What hobbies do you have?
- What do you aspire to become when you grow up?
- What special event have you enjoyed this year? - Christmas, a school trip, pancake Races, World Book Day, Safer Internet Day, the Nativity, or Pantomime why?

Please share with Mr Puszyk and Mr Spalding, your teacher for Year 3.
