

Year 4 – Summer 2 ~ Week 7

Me as a learner project 3 days 13.7.20 – 15.7.20

Please continue with your CGP Maths and English books this week. Each day please complete one of the warmup tasks either English or Maths. Remember to continue to practice your times tables using TTRS.

	Day 1	Day 2	Day 3
	Title page and blurb	What helps me to learn?	Me as a learner
Subject	<p>Today I would like you to think about the introduction and title (your name!)</p> <p>You are going to make a leaflet – all about you as a learner. So you will need an A4 piece of paper and you can fold it in half or use it as a whole piece of paper. OR You can use word or PowerPoint to publish it if you would like to!</p> <p>Your introductory paragraph will be in the style of a blurb. What is a blurb? What is it for? Where do you find them? Discuss with someone in your family what they are used for.</p> <p>Look at examples online or what you have on your book shelf. A blurb usually has a brief outline of what the book is about. What could yours include?</p> <p>Now you have thought about and discussed, I would like you to write your introductory paragraph. Here is an example.</p> <p><i>“I love learning. Every time I pick up a book or a pen I know I can take a journey. Come and find out about the journey of me and how I learn”</i></p>	<p>What helps you to learn? That’s a big question isn’t it! So let’s think about it.</p> <p>When you enjoy learning what are you doing?</p> <p>Are you reading? Are you discussing or sharing ideas? Are you listening to someone speak? Or watching a video/film/programme? Looking at pictures? Listening to a song? Playing a game? Doing something physical like matching pictures with words – cutting them out? Do you move around? Do you like loud sounds around you? Do you like silence? Do you need to talk to others? Do you need to repeat things out loud to remember them? Do you read things more than once to remember?</p> <p>What helps me when I’m learning is sitting down, sometimes at a desk sometimes on the sofa, sometimes on the floor. I like writing lists and love and listening to music whilst working. While reading information I find it helps me to make notes.</p> <p>Make a mind map or list of the ways you find you learn best. Please use my list above to help you, but remember you need to think about you!</p>	<p>Now present your list from yesterday in your leaflet. You can choose how you do it.</p> <p>Look below at my example.</p> <p>You could use the same format as below, or you could do your own. There is no wrong way to do this.</p> <p>It’s up to you.</p> <p>Remember we all learn and have different ideas. The world would be a dull place if we were all the same!</p>

Share your ideas: if you have any questions about the work or you would like to send photographs of your work please email them to: year4@stjosephs.greenwich.sch.uk Your work might end up in the weekly newsletter – email pictures whenever you can. I’d love to see your work.

I love to read and find new information
When I'm not sure what something means.
I also use Google a lot!
I prefer to find things out for myself rather
than someone tell me.

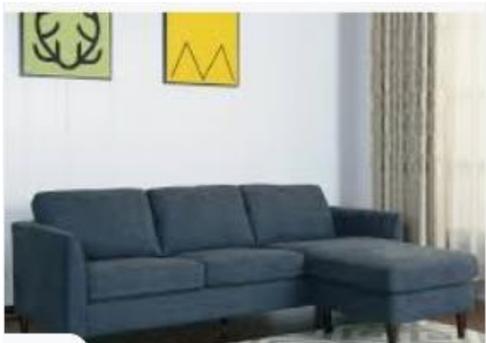

I enjoy listening to music. It calms me down
And helps me to focus.

How I learn
best

I like to sit when I learn. I
Don't like to move around.
Have to have a tidy space too!

I like to write lists or make
notes. It helps when it is written
Down, then I can read it again
And again!

How I learn
best
