Dear Parent/Carer

We will be visiting your child's school to administer the nasal flu vaccination to **those children whom we have consent forms for**. If there are any changes in your child's health, i.e. they are unwell or have had an increase in their asthma medication or if they have already received the vaccination at your GP surgery then please advise the school office by 8.45 am on the morning of the vaccination.

**If you have returned a completed consent form but now wish to withdraw consent for the vaccination, please contact us on the above numbers no later than 48 hours prior to your child's school visit, please also advise your school office. Failure to do so may result in your child inadvertently receiving the vaccination.**

Thank you

Immunisation Team
