Tuesday 24<sup>th</sup> November 2020

Dear Parents/Guardians,

In our joint efforts to keep everyone safe in these challenging times, please remind your child who walk to school alone in the morning that they should arrive promptly to school at their start time, and not before:

- Year 5 - start time 8:50am finish at 3:20pm
- Year 6 - start time 9:00am finish at 3:30pm

As the different year groups enter at their allotted class times, 'bubbles' should not be arriving early and mixing with other classes outside on the pavement.

We are aware of a number of children who are gathering outside of school before their morning start and at the end of the school day, for up to 30 minutes.

For the safety of all the pupils, please can you remind your child that they need to arrive directly from home each morning and leave directly for home at the end of the day.

Yours faithfully,

Mrs England

Assistant Headteacher

Year 5 and 6 Phase Leader
