Tuesday 5<sup>th</sup> January 2021

Dear Parents and Carers

### **Remote Learning**

Further to our letters sent on Monday 4<sup>th</sup> January, we write to clarify arrangements and provide further information about our remote learning offer, which began today for all children at St Joseph's. Previous communications can be found in the [Letters section of the school website](#).

Thank you to all who joined their classes and teachers for today's Google Meets and to those who have accessed their learning via Google Classroom.

Twice weekly class meetings like this will continue to take place as shared in the At A Glance document. Gospel assemblies will take place every Monday at 14:30 and Rainbow Assemblies will take place every Friday at 14:30. These will both be held via Google Meets, a similar platform to Zoom but more secure for children. **For this week only, Gospel Assembly will be held to celebrate the Feast of the Epiphany on Wednesday 6<sup>th</sup> January at 14:30.**

All learning tasks, video lessons and resources can be accessed on Google Classroom. If you do not have the required log in and password details, please email your child's teacher via the class email address (ie [year1@stjosephs.greenwich.sch.uk](mailto:year1@stjosephs.greenwich.sch.uk)) or our support email address.

English (to include Reading, phonics/spelling, handwriting and grammar) and Maths will be uploaded each day.

RE and the wider curriculum lessons and assignments will be set throughout the week – this will include PE.

In addition, children are encouraged to continue to regularly read for pleasure (something of their choosing); at least 15 minutes each day. This could be recorded in your child's reading record or via a message to their teacher on Google Classroom.

For those children with a Times Tables Rock Star account, this can be freely accessed to support with mental recall of multiplication facts as well as being another fun and interactive learning resource.

A number of other resources and links can be found within the Home Learning section of our website, which will be regularly updated.

We will work with families who require support with accessing the internet at home and/or use of a suitable device for remote learning. Please contact the office or your child's teacher if you wish to discuss or require support.

In the meantime, if you require a paper home-learning pack for this week's tasks and activities, please inform the office to arrange collection between 09:30 and 11.30 on Wednesday 6<sup>th</sup> January.

Should you have any questions around our remote learning offer, please do not hesitate to contact your child's teacher via the class email addresses or use [support@stjosephs.greenwich.sch.uk](mailto:support@stjosephs.greenwich.sch.uk).

Thank you for your continued support.

Kind regards,

**Mrs Lisa Lazell**  
**Executive Headteacher**

**Mrs Jacki Keogh**  
**Head of School**
