[Times Tables Rock Stars: Play \(ttrockstars.com\)](https://ttrockstars.com)

When it comes to timetables, speed and accuracy are important – the more facts you remember the easier it is for your brain to do harder calculations.

The quicker and more accurate you are, the closer you get to becoming a Rock Star, a Rock Legend or a Rock Hero. So, log in and play and see how quick you can get.

Whilst we are away from school, there will also be weekly battles between classes. Will you become the top of the leader board and win the battle?

If your child has any problems with signing into Google Classroom or Times Tables Rock Stars please e-mail: support@stjosephs.greenwich.sch.uk.
