THE WEEK Junior | SCHOOLS

Wednesday 20th January 2021

Dear Parents and Carers

We have temporarily been given free access to the digital edition of our school subscription of The Week Junior; a weekly, award-winning current affairs magazine for 8 to 14 year olds. It's filled with stories about what's happening all over the world - designed to encourage children to explore news and events from around the globe. Children are naturally curious about the world - and this inspiring magazine gives them an age-appropriate space to read and discover to their heart's content.

This digital edition is an easy way for children to access this brilliant magazine from home and school - it's easy to use and publishes every Friday.

What you need to do:

- Download the app on your iOS or Android device by searching "The Week Junior" in the iOS App Store or Google Play
- If you have already downloaded the app, please ensure you are viewing using the latest version
- To log into the app, select the 3 dots in the top right corner, select 'Account', select 'Voucher codes' and enter your voucher code: **TWJ2801xyz**
This code is unique to our school so please make a note of it and keep it safe.

Should you have any questions around our remote learning offer, please do not hesitate to contact your child's teacher via the class email addresses or use support@stjosephs.greenwich.sch.uk.

Thank you for your continued support.

Kind regards,

Mrs Jacki Keogh
Head of School
